Subject: RE: Navy Fact Sheet and Other Announcements

Thanks Nadia. I really appreciate your on going commitment to this project. As we have discussed in the past, we aren't unable to work on non-NPL FF due to our limited declining resources. I am glad CA is able to continue to be in the lead and fully engaged.

Subject: FW: Navy Fact Sheet and Other Announcements

FYI—recent TI fact sheet, and October RAB meeting announcement. Also, another bus tour in November. (see email below)

As instructed by management previously, I do not plan to participate in the TI public or RPM meetings. Please let me know if it might make sense to tie into an RPM meeting occasionally, it appears there are new Navy, Water Board and DTSC RPMs since I had last participated over a year ago, although I have been in touch with the new DTSC PM since I received several inquiries from the public this May.

Subject: Navy Fact Sheet and Other Announcements

On behalf of the Navy, attached is a recent fact sheet about the cleanup work at one of the sites on Former Naval Station Treasure Island. Please feel free to forward and share with anyone else who may be interested. A Spanish version of the fact sheet is also attached.

The Navy holds regular Restoration Advisory Board (RAB) meetings. The next RAB meeting will be on Tuesday, October 17, 2017 at 7:00 p.m. at Building One. For more information, visit the website at: <https://www.bracpmo.navy.mil/>

SAVE THE DATE: Community Bus Tour

Once again the Navy is hosting a bus tour of cleanup sites on Former Naval Station Treasure Island. The tour will be held on Saturday, November 4, 2017 at 10:00 a.m. The tour is free, but seating on the bus is limited, so RSVPs are required. Stay tuned for additional details and instructions to RSVP.
